The Food Hub Tool Library offers a wide variety of culinary tools to help with food self-sufficiency in the garden and kitchen. Tools are available to all residents of Kaslo and RDCK area D (Ainsworth to Gerrard).

- **Tool rental period is 1 week**
- **Suggested tool rental rate of $5-$10* sliding scale for most items** (see exceptions in tool description)

*We aim to serve everyone. Tools also available on a pay-what-you-can basis.

To rent a tool contact the Kaslo Food Hub:
250-353-7120
patricksteiner@nklcss.org
Basement of St. Andrew's Hall, 500 4th St.

Tools to help with food self-sufficiency in the garden and kitchen

250-353-7120

North Kootenay Lake Community Services
Rototiller—Tecumseh engine, 22” wide, rear-tine rototiller can help you loosen soil and prep your garden. Comes with instructions and a quick lesson from Patrick if you wish. (Suggested rental rate for this item is $20)

Seed Cleaning Screens—For the gardener. Six different screens in wood frames. Separate seed from chaff and up your seed-saving game.

Food Sealer—Preserve foods by vacuum-sealing. Great for preparing meals to take camping.

Pressure Canner—All-American Pressure Cooker/Canner holds 19 pint jars or 7 quart jars at one time. Speeds the time involved in cooking or canning.

Water-bath Canner—The most simple canner for home canned-goods. Comes with jar-lifting tongs.

Food Processor—Kenmore MultiPro Food Processor does it all! It’s a food processor, juicer, grinder and blender. Includes multiple size bowls, blender, whisk attachments, dough tool and different size disks for shredding, julienne and more.

Breville Juicer—High quality centrifugal juicer handles fruits and vegetables. Choose juice or puree settings (where the pulp is not separated from the juice).

Electric Grain Mill—L’equip Nutrimill is a compact, table top flour mill that quickly grinds a wide variety of grains and beans.

Electric Spice Mill—Quickly grinds spices for that marathon food processing weekend!
